

Dug med får

Brugen af broder- eller magnetramme

Materialer:

1 stk. rivevlieseline

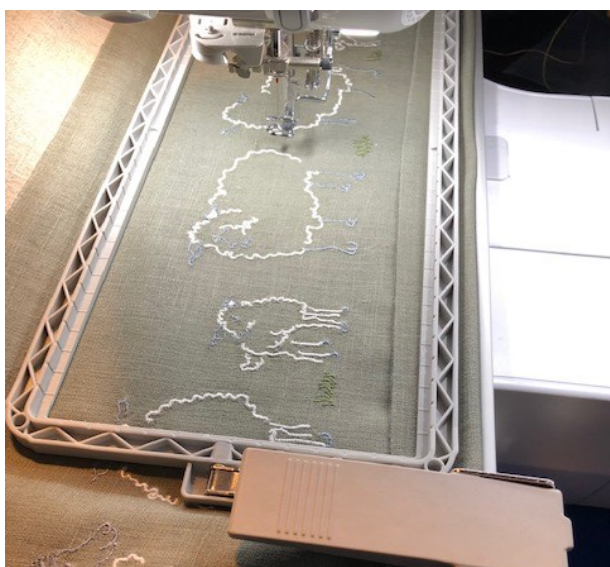

Stof til dug eller en påskeløber

Broder-ramme (der findes 2 størrelser. Man skal finde den der passer til sin egen maskine. 10x17cm eller 10x30cm):

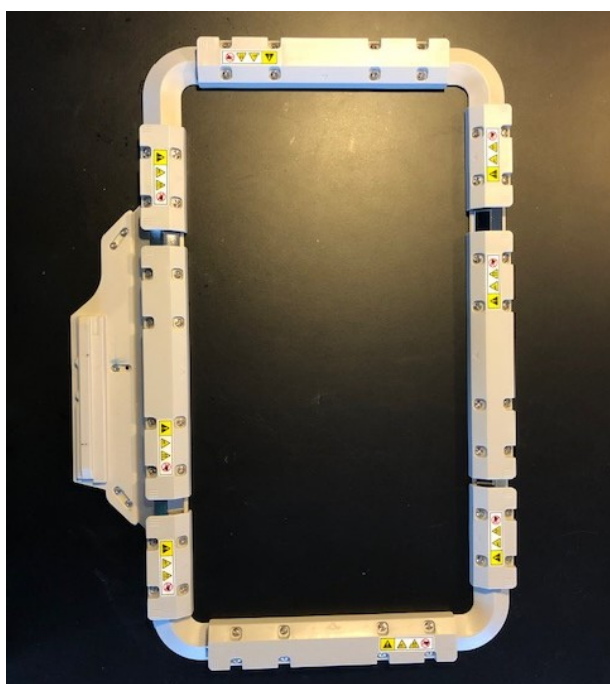

Med broder-rammen, har man mulighed for at brodere endeløse broderier, som f.eks borden på en dug, dog er det ikke så let at komme ind midt på dugen, for at brodere i midten.

Magnetramme (til XP1 18x36cm og PR 20x36cm):

Med magnetrammen, kan man ved lethed broderer lige der hvor man ønsker, også midt inde på dit projekt.

God fornøjeles!
